

# Surviving The Great Tribulation And The Global Armageddon

## The Tree Of Life Network

The mission of the Tree of Life Network is to implement a plan based on Biblical wisdom for the unity, security and survival of the faithful from the period of Great Tribulation and the coming Global Armageddon, until the time of our deliverance by Yahshuah the Messiah (Jesus Christ).

The Bible reveals the past, present and future plans of the Creator for His creation; and we are now living in the end-times, entering the period called the Great Tribulation, and are soon to face the Global Armageddon!

Remember Katrina? What if the same thing or worse happens in your city today or tomorrow? What would you do? Where would you go?

Too many people are dying around the world in catastrophic disasters because they did not prepare. The question is no longer if, but when will your city and community be faced with the coming series of catastrophic disasters and violent anarchy???

Can you always depend on the government to save you? If you fail to plan: You plan to fail! The Tree of Life Initiative is design to help you survive during the Period of the Great Tribulation the world is now entering!

This plan will work for you if you will do your part. It is not the plan that fails the people; it is the people who fail the plan, by not doing their part! Noah warned the people and they did not prepare and perished. Joseph warned Pharaoh of the coming famine and he made preparations and survived wonderfully. Improve your chances of survival by joining the Tree of Life Network, and we will show you how, and provide you with the resources, the information, and the support needed.

(I) The Tree of Life Initiative consist of three major goals:

- A) Freeing up the minds and consciousness of the people by providing the faithful with the wisdom, knowledge, and information concerning the great mysteries, the secret teachings of all ages, and how to receive spiritual power over elements and forces. This is code named: The Elijah Project.
- B) Preparing for the time we are now entering, known as The Great Tribulation, and the Start of Global Armageddon, by establishing places of sanctuary, and routes of exodus to the sanctuaries. This is code named: The Noah Project.
- C) Organizing a self defense System to provide spiritual, physical and economic security through an international network: code named The Moses Project.

## Surviving The Great Tribulation And The Global Armageddon

- (II) **The Tree Of Life Network (T.L.N.)** is created to implement these three initiatives. Our primary aim is not to compete with any other organization, but to recruit and coordinate existing organizations, and then uniting our forces into a network that will allow us to accomplish our common goals of preparation, deliverance, and salvation (*Matthew 13:24-30*).
- A) The T.L.N. consists of a main Global Counsel that will be directing and coordinating **Mission Chapters nationally and internationally**: code named **The Melchizedek Order**.
  - B) **The Global council** is made up of 70 elders. Within this council there are sub council groups of The Four, The Twelve, and The Twenty Four.
  - C) All decisions will be made by a vote of the council of The Twelve, and approved by the Council of The Four.
  - D) **The Council Facilitator** will serve as the chief administrator of the Melchizedek Council.

(III) Each **Mission Chapter** will be headed by a Mission Council, whose directives are assigned by the Global Council. There will be three Sub committees under each Mission Council, as the framework for the mission operations:

- A) **Information Committee**: Responsible for oversight of research, technology, and training.
- B) **Capital Committee**: Responsible for acquiring funds through non-profit organizations, businesses, and cooperatives; in exchange for our volunteers, access to our markets, benefits and resources.
- C) **Resource Committee**: Responsible for recruiting and networking with professionals and external organizations who are inline with the goals and objectives of the T.L.N. The Resource Committee will also be responsible for outreach to the community and extending the benefits of the T.L.N. to our members and to the community.

(IV) Membership Requirements:

- A) All nations and people that believe in the Messiah (Jesus Christ) as their Savior, and the **Holy Bible** as the word of the Heavenly Father, and final authority are invited!
- B) All members must maintain their responsibility and commitment to the goals and objectives of the **Melchizedek Order**. Members are encouraged to promote the T.L.N. by distributing this proposal, maintaining a prospect list of recruits, and invite at least one candidate per month.

**Revelation 18:4-8** *And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. 5 For her sins have reached unto heaven, and God have remembered her iniquities. 6 Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double... 8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.*
